

Important tax changes

Dear Supporter,

As a result of the Budget 2000 Gift Aid was altered to make it possible for us to increase the value of your donation by making a claim to the Inland Revenue for some of the tax you have already paid. It will not cost you any extra money at all but the charity will be able to benefit. If you are a UK taxpayer and if you are willing to complete the Gift Aid Declaration then we can claim from the Inland Revenue an extra 20p for every pound which you donated. If you pay tax at the higher rate then you can claim further tax relief in your Self Assessment tax return. As with all the information which we store the conditions of the Data Protection Act will apply.
